

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.** This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact Anthem Blue Cross Blue Shield at 877-811-3106. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform.com or call (303) 935-2475 or (833) 935-2475 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	PPO and Non-PPO <u>providers</u> combined: \$1,000/individual or \$2,000/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. PPO <u>preventive care</u> , PPO office visits, hearing services, PPO <u>urgent care</u> , PPO and Non-PPO <u>habilitation services</u> and In-Network outpatient <u>prescription drugs</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	PPO <u>providers</u> : \$6,600/individual, \$13,200/family (this includes a <u>coinsurance</u> maximum of \$2,000/individual, \$4,000/family, as well as a \$1,500/individual, \$3,000/family maximum for <u>in-network prescription drugs</u>). There is also a Non-PPO <u>provider coinsurance</u> maximum of \$4,000/individual, \$8,000/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain precertification, health care this <u>plan</u> doesn't cover, charges in excess of benefit maximums, dental and vision <u>plan</u> expenses, and Non-PPO cost sharing except <u>emergency room care</u> for an <u>emergency medical condition</u> . Certain specialty pharmacy drugs are considered non-essential health benefits and fall outside the out-of-pocket limits. The cost of these drugs (though reimbursed	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
	by the manufacturer at no cost to you) will not be applied towards satisfying your out-of-pocket maximums.	
Will you pay less if you use a <u>network provider</u>?	Yes. See www.anthem.com or call 877-811-3106 for a list of PPO <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
